**2011
SCHOLARSHIP APPLICATION**

The Colorado Amateur Softball Association (CASA), Junior Olympic Scholarship Fund has been established to award scholarships to Junior Olympic male and female athletes, who are members of the CASA and desire to further their education. ASA holds a yearly Scholarship Tournament, and all proceeds go directly into the scholarship fund. Additional funds are made available through contributions from fans, players, teams, umpires, tournament sponsors and anyone interested in the development of our youth through higher education. All contributions received will be placed in a separate ASA Scholarship account and distributions may be made only for the purpose it was established. Scholarships may only be applied for the continuance of higher education through accredited educational facilities.
